| DESCRIPTORS | *Catalogs; Consumer Education; Consumer Protection; *Content Analysis; *Curriculum Guides; Units of Study |
| IDENTIFIERS | *Consumer Information Products |

ABSTRACT

Consumer information products were analysed in a project to provide objective, comparative information on such products. This list presents the analysis for each of 178 consumer information products in the areas of reading, mathematics, social studies, exceptional children/learning disabilities, career education/vocational education, English, exemplary practice, bilingual education, and general curriculum. Each entry includes information on these categories: (1) citation; (2) content and who produced the compilation; (3) method used to obtain the information; (4) item verification and description; (5) item format; and (6) compilation format. (KP)

***********************************************************************
* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *

Item format: a set of categories and narrative with information presented varied according to the item being described using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter is main head, subheads within subject matter are curriculum, modesl and resources; single index including author/developer/title/and descriptive words; table of contents gives one sentence summary of each item; used to locate and compare items.

0004
EDUCATIONAL PROGRAMS THAT WORK
U.S. Office of Education (National Diffusion Network); September 1975; 250-499p.

Compilation includes programs/projects; developed by LEA; Compilation produced by R & D organization for Office of Education for unspecified audience.

Information obtained from producers/developers of items; item verification unspecified; item description includes title/edition number, author/editor/developer, publisher/source, date of DRP approval, funding source, description of prupose, description of item component, description of intended learner, people to contact for further information, narrative description, of item content, materials used, adoption information; cost information and summaries of evaluation in some cases.

Item format: a set of categories, key words/descriptions and narrative with the same informtion presented in the same order using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to 2 divisions of book organized by project within states, a third is organized by project type; title index, comparing projects on provisions made for dissemination; appendices providing contact information for state Title I coordinators, regional program specialists and state facilitators used to locate and compare items.

0005

EDUCATIONAL DISSEMINATION AND LINKING AGENT SOURCEBOOK: A COLLECTION OF PRODUCT RESOURCES (FIRST DRAFT, MAY 1976)
National Institute of Education; 1976; 249p or less ($9.50)

Compilation includes techniques/educational practices designed to provide change support; developed by R & D organizations; Compilation produced by R & D organization for NIE for linking/change agents.

Information obtained by unspecified procedures; item verification not specified; item description includes title/edition number, description of purpose, description of item component, description of intended learner, people to contact for further information, sources to contact for further information, narrative description of item content, references to entry in NIE catalog; cost information and information on adapability to user's setting.

Item format: a set of categories with the same information presented in the same order using one page front and back per item
Compilation format: a looseleaf book designed to be updated by supplements in 1 volume; organization heads refer to developer; indices and charts at front of compilation printed or colored paper; topical; user; format; matrices comparing skills and use by products listed in the compilation; used to locate and compare items.

0006
EPIE CAREER EDUCATION S*E*T*, VOLUMES 1 AND 2
   EPIE Institute; 1975; 250-499p.

Compilation includes printed materials, films, filmstrips, multi-media, miscellanea, non-commercial products, products under development; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for NIE for educators.

Information obtained by an analysis item characteristics made by organization producing the compliations, producers/developers, ERIC, USOE/NIE libraries, publishers, etc.; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose, description of intended learner, sources to contact for further information, narrative description of item content, inclusion of tests/other assessment activities, description of methods/activities used for instruction; cost information and information on evaluation when provided by the developer.

Item format: a set of categories with the same information presented in the same order with a quarter page per item
Compilation format: a bound book in 2-5 volumes; organization heads refer to 5 types of media used to present and 2 other categories: non-commercial products and products under development sections are color-coded; separate title indices for commercial and non-commercial products; used to locate and compare items.

0007

EDUCATIONAL DEVELOPMENT AND RESEARCH CATALOG

Conference for Educational Development & Research (CEDaR); 1971; 250-499p.

Compilation includes curriculum materials, program plans, operating projects, research studies, techniques for teacher education, administrative practices, etc.; developed by R & D organizations; Compilation produced by professional association of R & D labs and centers for educators.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date of completion, description of purpose, description of intended learner, sources to contact for further information, narrative description of item content, state of development.

Item format: a set of categories and narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to curriculum-instruction, organization and administration and reading; general index at end listing products produced by each R & D lab and center, also see at end of each section listing related products described in other sections; used to locate and compare items.

0008
HANDBOOK OF LEGAL EDUCATION MATERIALS
Social Science Education Consortium and Colorado Bar Association; 1976; 250-499p.

Compilation includes texts, games, simulations, media kits, films; developed by a variety of organizations; Compilation produced by R & D organization and professional association for educators and professionals in law-related fields.

Information obtained from producers/developers of items, by an analysis item characteristic made by orgnaization producing and compilations and signed critique from lawyers who reviewed legal content of each product; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content, grade level, signed critique by lawyer, substantive category of law-related concepts; cost information and evaluation of accuracy and substance of item.

Item format: a set of categories and narrative with the same information presented in the same order using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to a variety of features; groups products by law-related category, products by producers within categories of textbooks, teacher resource materials, media kits and filmstrips, and games and simulations; used to locate and compare items.

0009

ENCOUNTERS IN THINKING: A COMPENDIUM OF CURRICULA FOR PROCESS EDUCATION
Albert Seferian and Henry P. Cole; Creative Education Foundation; Undated;
249 pages or less

Compilation includes curriculum materials; developed by a variety of organizations; Compilation produced by R & D organization for USOE for unspecified audience.

Information obtained from producers/developers of tiems and by an analysis item characteristics made by orgnaization producing the compolations; item verfication in some cases, discussion and direct interaction with the original program developers; item description includes short descriptive summaries, annotating listing, detailed descriptive analyses, selected reading list, reasons considered appropriate for process education, industry and development; cost information and sources for obtaining information from sites using item.

Item format: a set of categories and narrative with the same information presented in the same order using 2-3 pages, one page and a quarter page per item depending on section
Compilation format: a bound book in 1 volume; no procedures used to locate and compare items.

0010
CATALOGUE OF CHILD SERVICE DEMONSTRATION CENTERS: 1975-76
National Learning Disabilities Assistance Project; 1976; 250-499p.

Compilation includes programs/projects, model learning-disabilities projects Title VI-G; developed by SEA and LEA; Compilation produced by non-profit educational service agency for persons interested in the Title VI-G model learning disabilities projects.

Information obtained from interviews with producers/developers of items and by analysis item characteristics made by organization producing the compilation; item verification draft of project description sent to site for review; item description includes title/edition number, author/editor/developer, description of purpose, description of item components, description of intended learner, people to contact for further information, sources to contact for further information, narrative description of item content; cost information and summaries of evaluation reports.

Item format: a set of categories and narrative with the same information presented in the same order using more than 3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to geographical division; tests used by project table, list of materials produced by each project index by key words, glossary of terms used in compilation is included; used to locate and compare items.

0011
CATALOG OF NIE EDUCATION PRODUCTS, VOLUMES 1 & 2
National Institute of Education; 1975; 1000p. or more

Compilation includes extensive range including curriculum materials, programs, state-of-art reviews, position papers, kits, films, training manuals, etc; developed by R & D organizations; Compilation produced by an agency of the federal government for potential consumers of products, practitioners, developers, policy makers, publishers.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, assessment provisions, description of purpose, description of item components, description of intended learner, sources to contact for further information, narrative description of item content, time requirements, implementation procedures, dissemination status of item; cost information; social fairness information and evidence of effectiveness and/or documentation of learner verified revision and/or internal quality control measures, transportability/repoicability also addressed.

Compilation format: a bound book in 1 volume; organization heads refer to topical/techniques index, grade level by item table, suggested placement of items into semester courses used to locate and compare items.

0020

A GUIDE TO SELECTED CURRICULUM MATERIALS ON INTERDEPENDENCE, CONFLICT, AND CHANGE: VALUES AND VALUING

Center for Global Perspectives; 1973; 249p or less (.50¢)

Compilation includes kits, books, games, simulations, multi-media; developed by mainly commercial publichers, but some R & D, SEAs, and professional organizations; Compilation produced by interest or consumer group/organization with grant for National Endowment for the Humanities for teachers and curriculum developers.

Information obtained from users of the items; item verification ways in which discrepancies among users were resolved not specified; number of teachers evaluating them, grade level, number of students and specific parts of item which were taught are given; item description includes title/edition number, author/editor/developer, publisher/source, additional free-forms comments, comments on how motivating motivating materials were to students, description of purpose of item, description of intended learner, narrative description of item content, suggested preparation time, teaching time, suggested supplementary materials; cost information.

Item format: a set of categories, narrative with the same information presented in the same order using 2-3 pages per item

Compilation format: a bound book in 1 volume; organization heads refer to topica;/ techniques index, grade level by item table, suggested placement of items into semester courses used to locate and compare items.

0021
BIBLIOGRAPHY OF LAW-RELATED CURRICULUM MATERIALS: ANNOTATED (SECOND EDITION)
Susan E. Davison, Editor; American Bar Association Special Committee on Youth Education for Citizenship; 1976; 249p or less (single copy no charge)

Compilation includes textbooks, curriculum guides, journals, newsletters, supplementary books; developed by a variety of organizations; Compilation produced by professional association for educators and lawyers.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification developers checked accuracy of listings; item description includes title/edition number, author/editor/developer, publisher/source, date, category of material, narrative description of item content, grade level, number of pages, format, cost information.

Item format: a set of categories, narrative with the same information presented in the same order using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions; all items produced by given publisher, comprehensive title/author/publisher index; used to locate and compare items.

0022
VOCATIONAL INSTRUCTIONAL MATERIALS FOR AGRICULTURE AVAILABLE FROM FEDERAL AGENCIES
Superintendent of Documents, U.S. Government Printing Office; August, 1971;
50p.; S/N 1780-0836 ($1.50)

Compilation includes print materials; developed by an agency of the federal government; Compilation produced by R & D organization for USOE.

Information obtained from a variety of sources; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content, number of pages, description of possible instructional use, cost information.

Item format: a set of categories, narrative and number codes with the same information presented in the same order using less than a quarter page per item
Compilation format: a looseleaf book in 1 volume; organization heads refer to subject matter divisions; used to locate and compare items.

0023
VOCATIONAL INSTRUCTIONAL MATERIALS FOR DISTRIBUTIVE EDUCATION AVAILABLE FROM FEDERAL AGENCIES

Superintendent of Documents, U.S. Government Printing Office; August, 1971;
50p.; S/N 1780-0836 ($1.50)

Compilation includes print materials; developed by an agency of the federal government; Compilation produced by R & D organization for USOE.

Information obtained from a variety of sources; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content, number of pages, description of possible instructional use, cost information.

Item format: a set of categories, narrative and number of codes with the same information presented in the same order using less than a quarter page per item
Compilation format: a looseleaf book in 1 volume; organization heads refer to subject matter divisions; used to locate and compare items.

0024

VOCATIONAL INSTRUCTIONAL MATERIALS FOR HEALTH OCCUPATIONS AVAILABLE FROM FEDERAL AGENCIES

Superintendent of Documents, U.S. Government Printing Office; August, 1971;
50p.; S/N 1780-0836 ($1.50)

Compilation includes print materials; developed by an agency of the federal government; Compilation produced by R & D organization for USOE.

Information obtained from a variety of sources; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content, number of pages, description of possible instructional use, cost information.

Item format: a set of categories, narrative and number codes with the same information presented in the same order using less than a quarter page per item
Compilation format: a looseleaf book in 1 volume; organization heads refer to subject matter divisions; used to locate and compare items.

0025
VOCATIONAL INSTRUCTIONAL MATERIALS FOR HOME ECONOMICS AVAILABLE FROM FEDERAL AGENCIES
Superintendent of Documents, U.S. Government Printing Office; August, 1971; 50p.; S/N 1780-0836 ($1.50)

Compilation includes print materials; developed by an agency of the federal government; Compilation produced by R & D organization for USOE.

Information obtained from a variety of sources; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content, number of pages, description of possible instructional use, cost information.

Item format: a set of categories, narrative and number codes with the same information presented in the same order using less than a quarter page per item
Compilation format: a looseleaf book in 1 volume; organization heads refer to subject matter divisions; used to locate and compare items.

0026

VOCATIONAL INSTRUCTIONAL MATERIALS FOR OFFICE OCCUPATIONS AVAILABLE FROM FEDERAL AGENCIES

Superintendent of Documents, U.S. Government Printing Office; August, 1971; 50p.; S/N 1780-0836 ($1.50)

Compilation includes print materials; developed by an agency of the federal government; Compilation produced by R & D organization for USOE.

Information obtained from a variety of sources; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content, number of pages, description of possible instructional use, cost information.

Item format: a set of categories, narrative and number codes with the same information presented in the same order using less than a quarter page per item
Compilation format: a looseleaf book in 1 volume; organization heads refer to subject matter divisions; used to locate and compare items.

0027
VOCATIONAL INSTRUCTIONAL MATERIALS FOR TECHNICAL EDUCATION AVAILABLE FROM FEDERAL AGENCIES

Superintendent of Documents, U.S. Government Printing Office; August, 1971;
50p.; S/N 1780-0836 ($1.50)

Compilation includes print materials; developed by an agency of the federal government; Compilation produced by R & D organization for USOE.

Information obtained from a variety of sources; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content, number of pages, description of possible instructional use, cost information.

Item format: a set of categories, narrative and number codes with the same information presented in the same order using less than a quarter page per item
Compilation format: a looseleaf book in 1 volume; organization heads refer to subject matter divisions; used to locate and compare items.

0028
VOCATIONAL INSTRUCTIONAL MATERIALS FOR TRADE AND INSTRUCTIONAL OCCUPATIONS AVAILABLE FROM FEDERAL AGENCIES
Superintendent of Documents, U.S. Government Printing Office; August, 1971; 50p.; S/N 1780-0836 ($1.50)

Compilation includes print materials; developed by an agency of the federal government; Compilation produced by R & D organization for USOE.

Information obtained from a variety of sources; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content, number of pages, description of possible instructional use, cost information.

Item format: a set of categories, narrative and number codes with the same information presented in the same order using less than a quarter page per item
Compilation format: a looseleaf book in 1 volume; organization heads refer to subject matter divisions; used to locate and compare items.

0029
PROJECTS TO ADVANCE CREATIVITY IN EDUCATION: E.S.E.A., TITLE IV, PART C IN MINNESOTA (3RD EDITION)
Minnesota Department of Education, Division of Planning and Development; undated (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for educators and lay people.

Information obtained by unspecified procedures; item verification not specified, item description includes title/edition number, date, funding source and ammount, description of purpose of item, people to contact for further information including telephone number, narrative description of item content, materials produced by the project and summaries of evaluation reports.

Item format: a set of categories, narrative and pictures with the same information presented in the same order using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions and geographical division; geographical index, tear out card to request more information about a project; used to locate and compare items.

0030
MISSOURI PACESETTER: INNOVATIVE AND EXEMPLARY PROJECTS IN THE PUBLIC SCHOOLS OF MISSOURI
Missouri Department of Elemtnary and Secondary Education; September, 1976; 61p.

Item format: a set of categories, narrative with the same information presented in the same order using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to funding source index, sponsoring school district index; used to locate and compare items.

0033

MATERIALS FOR CIVICS, GOVERNMENT, AND PROBLEMS OF DEMOCRACY: POLITICAL SCIENCE IN THE NEW SOCIAL STUDIES

Mary Jane Turner; The Social Science Education Consortium; undated; 249p or less ($4.25)

Compilation includes social science curriculum packages; developed by a variety of organizations; Compilation produced by clearinghouse; university; professional organization for teachers and staff of special projects.

Information obtained by ana analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of intended learner, narrative description of item content, subject area and substantive characteristics within area, summary chart, teaching strategies; cost information and summaries of field test results.

Item format: a set of categories, narrative and chart with the same information presented in the same order using 2-3 pages per item.
Compilation format: a bound book in 1 volume; organization heads refer to project director, title, sponsoring institution; individual product charts collected and presented as one large chart; used to locate and compare items.

0034
SOCIAL STUDIES CURRICULUM MATERIALS DATE BOOK, VOLUMES, I, II, III
Social Science Education Consortium; loose-leaf revised twice a year; 500-749p.
($70.00)

Compilation includes project materials, textbooks, games and simulations, supplementary materials, teacher resource materials; developed by unspecified audience; Compilation produced by interest or consumer group/organization with support of NSF for teachers, building administrators, curriculum coordinators, school system administrators and college methods teachers.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, references when available, overview (abstract), teaching procedures, description of purpose of item, description of item components, description of intended user (both student and teacher), narrative description of item content, required or suggested time, grade level, subject area; cost information and evaluation of item indicated.

Item format: a set of categories, narrative with the same information presented in the same order using one-2 pages per item
Compilation format: a looseleaf book designed to be updated by supplements in 2-5 volumes; organization heads refer to product title; grade level index, title index, project director index, publisher in-ex, subject matter index; used to locate and compare items.

0035

SUCCESSFUL MODESL AND MATERIALS FOR ELEMENTARY SOCIAL STUDIES
Barbara J. Capron and Charles L. Mitsakos; Social Science Education Consortium; 1976; 140p. ($5.95)

Compilation includes textbooks/print materisls; developed by unspecified audience; Compilation produced by interest or consumer group/organization and an agency of the federal government for inservice elementary teachers.

Information obtained by an analysis item characteristics made by organization prodicing the compilations; item verification; not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, grade level, sample lesson, method of evaluating lesson.

Item format: a set of categories, narrative with the same information presented in the same order using more that 3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to processes or techniques; used to locate and compare items.

0036
ENVIRONMENTAL EDUCATION
Martha T. Henderson; Social Science Education Consortium; undated; 39p. ($2.10)

Compilation includes programs/projects; developed by an agency of the federal government; Compilation produced by interest or consumer group/organization for USOE for teachers.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, description of item components, critique.

Item format: outline with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions; used to locate and compare items.

0037
PROFILES OF PROMISE
Education and Social Science Education Consortium; undated; ($15.00)

Compilation includes programs/projects, techniques/educational practices; developed by unspecified audience; Compilation produced by interest or consumer group/organization and an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items and by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, people to contact for further information, sources to contant for further information, narrative description of item content, references, ERIC documents and evaluations of some items given.

Item format: narrative and pictures with information presented varied according to the item being described using more than 3 pages per item
Compilation format: a continuing set of periodical reports; organization heads refer to no procedures used to locate and compare items.

0038
SUCCESSFUL VENTURES IN CONTEMPORARY EDUCATION IN OKLAHOMA, 1975, VOLUME X
Oklahoma State Department of Education; 1975; 102p. (no charge)

Compilation includes programs/projects, techniques/educational practices; developed by commercial publishers; Compilation produced by SEA for teachers.

Information obtained from users of the items; item verification not specified; item description includes title/edition number, author/editor/developer, narrative description of item content, school system and evaluation for some items given.

Item format: narrative with information presented varied according to the item being described using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions; index of topics by school systems; used to locate and compare items.

0039

SUCCESSFUL VENTURES IN CONTEMPORARY EDUCATION IN OKLAHOMA, 1976, VOLUME XI
Oklahoma State Department of Education; 1976; 100p (no charge)

Compilation includes programs/projects; developed by commercial publishers and individual teachers; Compilation produced by SEA for teachers.

Information obtained from users of the items; item verification not specified; item description includes title/edition number, author/editor/developer, narrative description of item content, school system and evaluation of some items given.

Item format: narrative with information presented varied according to the item being described using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions; index of topics by school systems; used to locate and compare items.

0040

LOUISIANA'S EXEMPLARY EDUCATION PROGRAMS VIA ESEA TITLE III

Louisiana State Department of Education; 1974-75; 48p. (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspecified audience.

Information obtained by unspecified procedures; item verification not specified; item description includes title/edition number, author/editor/developer, date, people to contact for further information, narrative description of item content, amount of current funding, number of participants and summaries of evaluation reports.

Item format: a set of categories and narrative with the same information presented in the same order using one page per item

Compilation format: a bound book in 1 volume; organization heads refer to program/project type; table of contents; used to locate and compare items.

Item format: chart with the same information presented in the same order using less than a quarter page per item
Compilation format: a continuing series in a periodical in 1 volume; organization heads refer to chart comparing composite ratings in spring of 1973 with ratings in spring 1974; used to locate and compare items.

0044
INNOVATIONS '75: AN ACCOUNT OF TITLE III, ESEA IN NORTH DAKOTA
North Dakota Department of Public Instruction; 1975; 32p. (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspecified audience.

Information obtained by unspecified procedures; item verification not specified; item description includes title/edition number, people to contact for further information, narrative description of item content; and summary of evaluation reports for same item given.

Item format: narrative, pictures with information presented varied according to the item being described using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to length of project and program/project type; used to locate and compare items.

0045
INNOVATIONS '74: TITLE III, ESEA IN NORTH DAKOTA
North Dakota Department of Public Instruction; July, 1974; 32p. (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspecified audience.

Information obtained by unspecified procedures; item verification not specified; item description includes title/edition number, author/editor/developer, ammount of grant, people to contact for further information, narrative description of item content; and summary of evaluations of some item given.

Item format: a set of categories, narrative and pictures with information presented varied according to the item being described using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to processes or techniques; table of contents, map showing location of projects; used to locate and compare items.

0046

EDUCATIONAL INNOVATIONS IN NORTH DAKOTA--1971-72

North Dakota Department of Public Instruction; August, 1972; 31p. (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, description of purpose of item, narrative description of item content, duration; and evaluation plans described for some items.

Item format: narrative, pictures with information presented varied according to the item being described using one page per item

Compilation format: a bound book in 1 volume; organization heads refer to program/project type; table of contents; used to locate and compare items.

0047

SUMMER EDUCATIONAL PROGRAM FOR THE CHILDREN OF MIGRANT AGRICULTURAL WORKERS
North Dakota Department of Public Instruction; September, 1973; 44p. (no charge)

Compilation includes programs/projects; developed by SEA; Compilation produced by SEA for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, narrative description of item content.

Item format: narrative, pictures with information presented varied according to the item being described using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; used to locate and compare items.

0048
MICHIGAN'S EXPERIMENTAL AND DEMONSTRATION CENTERS PROJECTS
Michigan Department of Education; undated; 104 p. (no charge)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by SEA for unspecified audience.

Information obtained by unspecified procedures; item verification not specified; item description includes title/edition number, author/editor/developer, funding source, description of purpose of item, description of item components, description of intended learner, people to contact for further information, narrative description of item content, resources available describing program, number of years program in operation; cost information; and summary of evaluation reports given with recommendations for further evaluation.

Item format: a set of categories, narrative, and pictures with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; topical index; used to locate and compare items.

0049
FORCES FOR CHANGE IN ILLINOIS SCHOOLS
Illinois Office of Education; undated; 88p. (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspecified audience.

Information obtained by unspecified procedures; item verification not specified item description includes title/edition number, description of purpose of item, people to contact for further information, narrative description of item content, school administrative district, number of years in operation, amount of grant; and parent, student, teacher or counselor reaction to each item given.

Item format: a set of categories, narrative and pictures with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to curriculum and instruction, dropout prevention, inservice education, etc,; table of contents; used to locate and compare items.

0050
TITLE II ESEA SPECIAL GRANT PROGRAMS
Illinois Office of Education; 1975; 28p. (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspecified audience.

Information obtained by unspecified procedures; item verification not specified; item description includes title/edition number, sources to contact for further information; narrative description of item content, amount of grant, dates and time when project is open for visitors; and description of evaluation plan for project provided.

Item format: a set of categories, narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to map showing project locations, table of contents; used to locate and compare items.

0051
WINGS OF PROGRESS: STATE OF ILLINOIS DIFFUSION NETWORK
Illinois Office of Education; Fiscal 1977; 63p. (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for school system administrators.

Information obtained by unspecified procedures; item verification not specified; item description includes title/edition number, author/editor/developer. description of purpose of item, description of intended learner, people to contact for further information, narrative description of item content, student materials described and summary of project evaluation presented.

Item format: a set of categories, narrative with the same information presented in the same order using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions; table of contents; used to locate and compare items.

0052
MINI GRANTS: TITLE III ESEA
Iolinois Office of Education; fiscal 75-76; 52p. (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspeciified audience.

Information obtained by unspecified procedures; item verification not specified; item description includes city/town name, title/edition number, personnel required or staffing, description of intended learner, people to contact for further information, narrative description of item content, superintendent of schools, amount of grant and per pupil cost, number of students in the program; and evaluation plans for some projects given.

Item format: a set of categories, narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to geographical division; alphabetical listing of projects by location, topical index; map showing locations of projects; used to locate and compare items.

A CONSUMER'S GUIDE TO EDUCATIONAL INNOVATIONS

Mortimer Smith, Richard Peck, George Weber; Council for Basic Education; 1972; 99p. ($2.50)

Compilation includes techniques/educational practices; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for a variety of users.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, narrative description of item content, references; and pro/con summations given.

Item format: narrative with information presented varied according to the item being described using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to name index; used to locate and compare items.

0054

LOCALLY IDENTIFIED PROMISING EDUCATIONAL PRACTICES 1974
Michigan Department of Education; 1974; 65p. (no charge)

Compilation includes programs/projects and techniques/educational practices; developed by LEA; Compilation produced by SEA for teachers and school system administrators.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, publisher/source, description of purpose of item, description of intended learner, people to contact for further information, narrative description of item content; and summaries of evaluation reports given.

Item format: a set of categories, narrative with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to grade levels; subject index; used to locate and compare items.

0055
ILLINOIS EDUCATIONAL IMPROVEMENT CATALOG
Illinois Office of Education; 1975-76; 64p. (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, funding source, description of prupose of item, narrative description of item content; cost information.

Item format: narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions; geographical; used to locate and compare items.

0056
SOCIAL STUDIES PROJECTS TOUR: AN INFORMAL REPORT
Fred Risinger and Michael Radz; Social Science Education Consortium and ERIC Clearinghouse for Social Studies; undated; 249p. or less ($1.20)

Compilation includes programs/projects, curriculum development; developed by LEA; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, funding source, description of purpose of item, description of item components, people to contact for further information, narrative description of item content.

Item format: narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures; used to locate and compare items.

0057
FACILITATING CAREER DEVELOPMENT: AN ANNOTATED BIBLIOGRAPHY, II
Larry J. Bailey, Thomas B. Wood and Sharon Fishmar, Editors; February, 1974; 250-499p. (no charge)

Compilation includes textbooks/print materials; developed by a variety of organizations; Compilation produced by SEA grant for unspecified audience.

Information obtained from producers/developers of items and by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content.

Item format: narrative with the same information presented in varying orders using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; author; used to locate and compare items.

0058

PRODUCT DEVELOPMENT REPORTS

American Institutes of Research; 1971-72; 249p. or less each ($30.00 per set/ $2.00 per copy)

Compilation includes a wide variety of products and practices; developed by R & D organizations; Compilation produced by R & D organization for unspecified audience.

Information obtained from producers/developers of items; item verification site visit; item description includes author/editor/developer, publisher/source, date, funding source, description of purpose of item, description of item components, description of intended learner, sources to contact for further information, narrative description of item content; and summaries of evaluation reports given.

Item format: narrative with the same information presented in the same order using more than 3 pages per item
Compilation format: a continuing series in 10 or more volumes; organization heads refer to no procedures; used to locate and compare items.

0059

1973 STATE EDUCATION LEGISLATION AND ACTIVITY: CURRICULUM INSTRUCTION AND SPECIAL PROGRAMS--A SURVEY OF THE STATES

Doris M. Ross; Education Commission of the States; May, 1974; 236p ($3.50)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by professional association for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, people to contact for further information; narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using less than a quarter page per item

Compilation format: a bound book in 1 volume; organization heads refer to program/project type; key words; used to locate and compare items.

0060
NINE MODEL PROGRAMS FOR YOUNG CHILDREN
Benjamin F. Quillian, Jr. and Kathryn S. Rogers; CEMREL, Inc.; 250-499p
(Vol. 1 $8.00, Appendix $6.00)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by R & D organization for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes author/editor/developer, publisher/source, description of prupose of item, description of item components, description of intended learner, narrative description of item content; and summaries of evaluation reports given.

Item format: narrative with information preaented varied according to the item being described using more than 3 pages per item
Compilation format: a bound book in 2-5 volumes; organization heads refer to program/project type; used to locate and compare items.

0061

COURSE AND CURRICULUM IMPROVEMENT PROJECTS: MATHEMATICS, SCIENCE, SOCIAL STUDIES (JUNE, 1974)

Superintendent of Documents; Government Printing Office; June, 1974; 50p ($1.20)

Compilation includes textbooks/print materials and non-print materials; developed by R & D organizations; Compilation produced by an agency of the federal government NSF for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, funding source, description of item components, narrative description of item content.

Item format: narrative with the same information presented in the same order using one page per item

Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions/grade level; used to locate and compare items.

0062

MEDIA FOR DEVELOPING CREATIVE THINKING IN YOUNG CHILDREN

Frank E. Williams; Creative Education Foundation, Inc.; State University College; April, 1968; 44p ($1.00)

Compilation includes textbooks/print materials and non-print materials; developed by a variety of organizations; Compilation produced by R & D organization for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of prupose of item, narrative description of item content.

Item format: a set of categories, narrative with the same information presented in the same order using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to processes or techniques; thinking processes/subject area; used to locate and compare items.

0063
DEMONSTRATION SCHOOLS IN INDIVIDUALIZED INSTRUCTION: 1976 VISITORS GUIDE
Texas Education Agency; Division of Dissemination; 1976; 104p (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, funding source, people to contact for further information, narrative description of item content.

Item format: narrative with information presented varied according to the item being described using one page per item
Compilation format: a bound book in 1 volume; orgianzation heads refer to geographical divisions; subject, grade level; used to locate and compare items.

0064
REACHING EACH CHILD: PROGRAMS FOR TEXAS MINORITY STUDENTS
Texas Education Agency; February, 1975; 35p (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, people to contact for further information, narrative description of item content.

Item format: narrative with information presented varied according to the item being described using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures; used to locate and compare items.

0065
KALEIDOSCOPE 14--A SPECIAL ISSUE: PROGRAMS FOR STUDENTS WITH SPECIAL NEEDS
Massachusetts Department of Education; Spring, 1975; 55p (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for a variety of users.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, funding source people to contact for further information, narrative description of item content; cost information.

Item format: narrative with the same information presented in the same order using a half page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; city-grade level; used to locate and compare items.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, description of purpose of item, description of item components, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: narrative with information presented varied according to the item being described
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0092

INFANT EDUCATION AND STIMULATION (BIRTH TO 3 YEARS): A BIBLIOGRAPHY

Alice S. Honig; Educational Resources and Information Center (ERIC)/Clearinghouse on Early Childhood Education; ED 081 499; June, 1973; 60p ($3.05)

Compilation includes programs/projects, a variety of products and practices; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date.

Item format: a set of categories with the same information presented in the same order using less than a quarter page per item

Compilation format: a bound book in 1 volume; organization heads refer to program/project type; used to locate and compare items.

0093
COMMUNITY COLLEGE FACULTY DEVELOPMENT
Educational Resources Information Center (ERIC)/Clearinghouse on Junior Colleges;
Ed 081 411; 1973; 73p ($1.67)

Compilation includes programs/projects; developed by junior colleges; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, narrative description of item content; and evaluation of item given if supplied.

Item format: a set of categories, narrative with information presented varied according to the item being described using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; used to locate and compare items.

0094

MERIT PAY PROGRAMS FOR SECONDARY SCHOOL ADMINISTRATORS, 1972-1973. REPORT ON EDUCATIONAL PRACTICE

Terry Barraclough; Educational Resources Information Center (ERIC)/Clearinghouse on Educational Management; ED 081 105; 1973; 8p ($1.67)

Compilation includes programs/projects; developed by LEA; Compilation produced by professional association for school system administrators.

Information obtained from producers/developers of items; item verification not specified; item description includes publisher/source, narrative description of item content; cost information.

Item format: a set of categories with no items using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0095

CURRICULUM MATERIALS FOR BILINGUAL AND MULTICULTURAL EDUCATION: AN ANNOTATED BIBLIOGRAPHY, VOLUME 1--SPANISH LANGUAGE ARTS

E. Jeanne Lopez Valadez, Editor; Bilingual Education Service Center; 1976;
82p (not yet determined)

Compilation includes textbooks/print materials; developed by a variety of sources but mainly commercial publishers; Compilation produced by supportive service agency for professionals and community members.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification annotaters received in-service training in reviewing and evaluating materials; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item components, narrative description of item content, interest level, reading level, and language level specified; social fairness information given.

Item format: a set of categories, narrative with the same information presented in the same order using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions used to locate and compare items.

0096

VALUES EDUCATION: APPROACHES AND MATERIALS

Douglas P. Superka and Patricia L. Johnson; Educational Resources Information Center (ERIC)/Clearinghouse for Social Studies; ED 103 284; 1975; 164p ($9.01)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: a set of categories, narrative with information presented varied according to the item being described

Compilation format: a bound book in 1 volume; organization heads refer to charts; used to locate and compare items.

0097
SPEECH HANDICAPPED--PROGRAMS: A SELECTIVE BIBLIOGRAPHY. EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES NO. 626
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Exception Children; ED 085 941; November, 1973; 18p ($1.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0098

LEARNING DISABILITIES--PROGRAMS: A SELECTIVE BIBLIOGRAPHY. EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES NO. 615

Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Exceptional Children; ED 085 922; November, 1973; 28p ($2.06)

Compilation includes programs/projects; developed by LEA, a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures ued to locate and compare items.

0099
ERIC ABSTRACTS: A COLLECTION OF ERIC DOCUMENT RESUMES ON PROGRAM EVALUATION.
ERIC ABSTRACT SERIES, NUMBER 33
Educational Resources Information Center/Clearinghouse on Educational Management; ED 091 800; 1973; 28p ($2.06)

Compilation includes textbooks/print materials; developed by a variety of organizations; Compilation produced by professional association for school system administrators.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, narrative description of item content.

Item format: narrative with the same information presented in the same order using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0100

MIGRANT EDUCATION, A SELECTED BIBLIOGRAPHY (WITH ERI ABSTRACTS) ERIC/CRESS SUPPLEMENT NO. 5

Educational Resources Information Center (ERIC)/Clearinghouse on Rural Education and Small Schools; ED 101 909; March, 1975; 123p ($6.01)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item compontents, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using one page per item

Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0101
PROMISING PROGRAMS IN ARTS EDUCATION FOR CALIFORNIA PUBLIC SCHOOLS
California State Department of Education; 1976; 32p ($.65)

Compilation includes programs/projects; developed by ISA's, colleges and universities, museums, theaters, theater associations, junior league, city government; Compilation produced by SEA for program developers.

Information obtained from a variety of sources; item verification not specified; item description includes title/edition number, author/editor/developer, funding source, people to contact for further information, narrative description of item content, grade level, resource materials listed if available.

Item format: a set of categories, narrative with information presented varied according to the item being described using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; used to locate and compare items.

0102

A COMPARISON OF GUIDES TO NON-PRINT MEDIA

David E. Rawnsley; Educational Resources Information Center (ERIC)/Clearinghouse on Educational Media and Technology; ED 083 837; November, 1973; 41p ($2.06)

Compilation includes non-print materials; developed by a variety of organizations; Compilation produced by an agency of the federal government for developers of educational media centers.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, sources to contact for further information, narrative description of item content, cost information.

Item format: a set of categories, key words/descriptions with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type and charts used to locate and compare items.

00103
GLOBAL DIMENSIONS IN THE NEW SOCIAL STUDIES
John H. Sprugin and Gary R. Smith; Educational Resources Information Center (ERIC)/ Clearinghouse for Social Studies/Social Science Education; ED 085 291; 1973; 160p ($8.69)

Compilation includes textbooks/print materials, non-pring materials; developed by a variety of organizations; Compilation produced by interest or consumer group/ organization for unspecified audience.

Information obtained by an analysis item characteristics make by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item components, description of intended learner, sources to contact for further information, narrative description of item content; cost information; social fairness information.

Item format: a set of categories, narrative with the same information presented in the same order and information presented varied according to the item being described using more than 3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to charts; used to locate and compare items.

0104

INSTRUCTIONAL MATERIALS IN THE CLASSROOM: A BASIC REFERENCE SHELF
Educational Resources Information Center (ERIC)/Clearinghouse on Educational Media and Technology; Ed 082 495; September, 1973; 19p ($1.67)

Compilation includes non-print materials; developed by a variety of organizations; Compilation produced by R & D organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, sources to contact for further information, narrative description of item content.

Item format: narrative with information presented varied according to the item being described using a half page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; used to locate and compare items.

0105

INSTRUCTIONAL MEDIA AND THE HANDICAPPED

Wayne D. Lance; Educational Resources Information Center (ERIC)/Clearinghouse on Educational Media and Technology ED 084 853; December, 1973; 41p ($2.06)

Compilation includes non-print materials; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: narrative with information presented varied according to the item being described using one per per item

Compilation format: a bound book in 1 volume; organization heads refer to processes or techniques used to locate and compare items.

0106
PHYSICALLY HANDICAPPED/SPECIAL HEALTH PROBLEMS AND CEREBRAL PALSY PROGRAMS: A SELECTED BIBLIOGRAPHY. EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES NO. 628
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 085 943; November, 1973; 22p ($1.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, people to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0107
FLES: TYPES OF PROGRAMS. ERIC FOCUS REPORTS ON THE TEACHING OF FOREIGN LANGUAGES, NUMBER 16

Lester W. McKim; Educational Resources Information Center (ERIC)/Clearinghouse on the Teaching of Foreign Languages; ED 043 268; 1970; 14p ($1.67)

Compilation includes techniques/educational practices; developed by a variety of organizations; Compilation produced by professional association for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, description of purpose of item, sources to contact for further information.

Item format: narrative with information presented varied according to the item being described using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0108
CHILDHOOD RESOURCES INFORMATION BULLETIN, VOLUME 1, NUMBER 2, FALL 1969
Educational Resources Information Center (ERIC)/Clearinghouse on Early Childhood Education; ED 032 948; 1969; 60p ($3.50)

Compilation includes a wide variety of products and practices; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item components, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: narrative with the same information presented in varying orders using a half page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; subject-author; used to locate and compare items.

0109
RECOMMENDED ENGLISH LANGUAGE ARTS CURRICULUM GUIDES K-12 AND CRITERIA FOR PLANNING AND EVALUATION, 1973

Sister Rosemary Winkeljohann, Editor; Educational Resources Information Center (ERIC)/Clearinghouse on Reading and Communication Skills; ED 082 217; November, 1973; 33p ($2.06)

Compilation includes programs/projects; developed by LEA; Compilation produced by professional association for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, people to contact for further information; cost information.

Item format: narrative with the same information presented in the same order using less than a quarter page per item

Compilation format: a bound book in 1 volume; organization heads refer to grade level used to locate and compare items.

0110
CURRICULUM GUIDES; A SELECTIVE BIBLIOGRAPHY
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 065 959; 1972; 31p. ($2.06)

Compilation includes programs/projects; developed by a variety of organizations: Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items: item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item components, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions and narrative with the same information presented in the same order using a half page per item.
Compilation format: a bound book in 1 voluem: organization heads refer to a variety of features; used to locate and compare items no procedures.

0111
CRITERIA FOR SELECTING TYPES OF FOREIGN-LANGUAGE LABORATORY SYSTEMS. ERIC FOCUS REPORTS ON THE TEACHING OF FOREIGN LANGUAGES, NUMBER 20
Joseph C. Hutchinson and June O. Hutchinson; Educational Resources Information Center (ERIC)/Clearinghouse on the Teaching of Foreign Languages; ED 049 662; November, 1970; 12p ($1.67)

Compilation includes non-print materials; developed by a variety of organizations; Compilation produced by professional association for unspecified audience.

Information obtained from producers/developers of items and by ana analysis item characteristics made by organization procuding the compilations; item verification not specified; item description includes author/editor/developer, publisher/source, date, description of purpose of item, description of item components, sources to contact for further information, narrative description of item content.

Item format: narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0112

### EXEMPLARY PRACTICES IN JUNIOR COLLEGE READING INSTRUCTION

Robert G. Darnes and others; Educational Resources Information Center (ERIC)/ Clearinghouse on Junior Colleges; ED 050 710; May, 1971; 19p ($1.67)

Compilation includes programs/projects; developed by junior colleges; Compiation produced by a university for junior college instructors of reading; junior college presidents, administrators, trustees, general public.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, people to contact for further information, narrative description of item content.

Item format: narrative with information presented varied according to the item being described using more than 3 pages per item
Compilation format: a bound book in 1 volume, organization heads refer to no procedures used to locate and compare items.

0113
ENGLISH CURRICULUM GUIDES K-12 AND CRITERIA FOR PLANNING AND EVALUATION
William J. Scannell, Editor; Educational Resources Information Center (ERIC)/ Clearinghouse on the Teaching of English; ED 044 419; November, 1970; 35p ($2.06)

Compilation includes programs/projects; developed by LEA; Compilation produced by professional association for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, people to contact for further information, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in varying orders using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to grade level used to locate and compare items.

0114
EDUCATIONAL PROGRAMS THAT WORK (FALL, 1976)
United States Office of Education; Fall, 1976; 208p ($4.95)

Compilation includes programs/projects; developed by SEA, LEA; Compilation produced by R & D organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title, developer, source, date of JDRP approval, description of purpose of item, description of intended learner, people to contact for further information, narrative description of item content, financial requirements, materials used, services available and summaries of project evaluation.

Item format: a set of categories, key words/descriptions and narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type, alphabetical project index, project index, appendices providing contact informtion for Title Coordinator and listings of dissemination contractors used to locate and compare items.

0115
AN ANNOTATED LIST OF NEW SOCIAL STUDIES PROJECTS
Merle M. Knight; Educational Resources Information Center (ERIC)/Clearinghouse for Social Studies/Social Science Education; ED 041 815; August, 1970; 27p ($2.06)

Compilation includes textbooks/print materials; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, description of purpose of item, description of item components, description of intended learner, sources ot contact for further information, narrative description of item content.

Item format: narrative with the same information presented in the same order using a quarter per per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions used to locate and compare items.

0116

ABSTRACTS OF INSTRUCTIONAL MATERIALS FOR CAREER EDUCATION

Allen B. Moore; Educational Resources Information Center (ERIC)/Center for Vocational and Technical Information; ED 068 627; 1972; 126p ($7.35)

Compilation includes textbooks/print materials; developed by a variety of organizations; Compilation produced by R & D organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item components, desctiption of intended learner, sources to contact for further information; narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using a half page per item

Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0117

HIGHER EDUCATION OPPORTUNITIES FOR HIGH-RISK DISADVANTAGED STUDENTS: A REVIEW OF THE LITERATURE

Wilma D. Monlouis; Educational Resources Information Center (ERIC)/Clearinghouse on Higher Education; ED 035 787; February, 1970; 4p ($1.67)

Compilation includes programs/projects; developed by universities; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes author/editor/developer, description of item components, narrative description of item content; and evaluation of items given by analyzer.

Item format: narrative with information presented varied according to the item being described
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0118
SECONDARY READING PROGRAMS: DESCRIPTION AND RESEARCH. ERIC/CRIER READING REVIEW SERIES

Walter R. Hill and Norma G. Bartin; Educational Resources Information Center (ERIC)/Clearinghouse on Retrieval of Information and Evaluation of Reading; ED 055 759; July, 1971; 74p ($3.50)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, souces to contact for further information, narrative description of item content.

Item format: narrative with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; index used to locate and compare items.

0119

AN ABSTRACT BIBLIOGRAPHY OF TEACHER EDUCATION PROGRAMS: PART I OF THE ERIC CLEARING HOUSE ON TEACHER EDUCATION ON CAREER EDUCARION

Moira B. Mathieson; Educational Resources Information Center (ERIC)/Clearinghouse on Teacher Education; ED 067 382; October, 1972; 92p ($4.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: narrative with the same information presented in the same order using a quarter page per item

Compilation format: a bound book in 1 volume; organization heads refer to index used to locate and compare items.

0120

GUIDE TO MATERIALS FOR READING INSTRUCTION, SUPPLEMENT 1

Wayne E. Berridge and Larry A. Harris; Educational Resources Information Center (ERIC)/Clearinghouse on Retrieval of Information and Evaluation of Reading; ED 032 452; September, 1969; 180p ($10.03)

Compilation includes textbooks/print materials and non-print materials; developed by a variety of organizations; Compilation produced by an agency of the federal government for teachers.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item components, description of intended learner.

Item format: a set of categories with the same information presented in the same order using a half page per item

Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0121
GUIDE TO MATERIALS FOR READING INSTRUCTION. 1971 EDITION
Wayne E. Berridge and Mary D. Siedow; Educational Resources Information Center (ERIC)/Clearinghouse on Reading; Ed 049 024; May, 1971; 200p ($10.03)

Compilation includes textbooks/print materials and non-print materials; developed by a variety of organizations; Compilation produced by an agency of the federal government for teachers.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item components, description of intended learner.

Item format: a set of categories with the same information presented in the same order using a half page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0122

ANNOTATED LIST OF RECOMMENDED ELEMENTARY AND SECONDARY CURRICULUM GUIDES IN ENGLISH, 1969

William J. Scannell, Editor; Educational Resources Information Center (ERIC)/ Clearinghouse on Teaching of English; ED 033 950; November, 1969; 41p ($2.06)

Compilation includes programs/projects; developed by LEA; Compilation produced by professional association for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, people to contact for further information, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in varying orders using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to grade level used to locate and compare items.

0123
GIFTED AND CREATIVITY PROGRAMS: EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 051 590; February, 1971; 22p ($1.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisehr/source, date, description of purpose of item; description of intended learner, sources to contact for further information, narrative description of item content.

Item format: a set of categories, key words/descriptions and narrative with the same information presented in the same order using a half page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0124
LEARNING DISABILITIES--PROGRAMS: EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 051 596; February, 1971; 25p ($1.67)

Compilation includes programs/projects; developed by LEA, a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0125
INNOVATIVE STRATEGIDS IN FIELD EXPERIENCES FOR PREPARING EDUCATIONAL ADMINISTRATORS. ERIC/CEM STATE-OF-THE-KNOWLEDGE SERIES NUMBER TWENTY-ONE. UCEA MONOGRAPH SERIES NUMBER EIGHT

Joseph M. Cronin and Peter P. Horoschak; Educational Resources Information Center (ERIC)/Clearinghouse on Educational Administration; ED 082 271; 49p ($2.06)

Compilation includes programs/projects; developed by universities; Compilation produced by professional association for professors of educational administration.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content; and autnor's analysis of effectiveness given.

Item format: narrative with information presented varied according to the item being described using more than 3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0126

EMOTIONALLY DISTRUBED--PROGRAMS: A SELECTIVE BIBLIOGRAPHY
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 065 963; July, 1972; 27p ($2.06)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in varying orders using a half page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0127

EDUCABLE MENTALLY HANDICAPPED--PROGRAMS: A SELECTIVE BIBLIOGRAPHY
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 065 965; July, 1972; 27p ($2.06)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using a half page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0128
SPEECH HANDICAPPED--PROGRAMS: EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 052 570; February, 1971; 14p ($1.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0129
VISUALLY HANDICAPPED--PROGRAMS: EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 051 600; February, 1971; 15p ($1.67)

Compilation includes programs/projects; developed by LEA and a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0130
GIFTED AND CREATIVITY PROGRAMS: A SELECTIVE BIBLIOGRAPHY
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 065 958; July, 1972; 23p ($1.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: a set of categories, key words/descriptions and narrative with the same information presented in the same order using a half page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0131
AURALLY HANDICAPPED--PROGRAMS: A SELECTIVE BIBLIOGRAPHY
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 065 968; July, 1972; 32p ($2.06)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained by unspecified procedures; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with information presented varied according to the item being described using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0132
TRAINABLE MENTALLY HANDICAPPED--PROGRAMS: A SELECTIVE BIBLIOGRAPHY. EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES NO. 640
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 069 074; July, 1972; 20p ($1.67)

Compilation includes programs/projects; developed by LEA and a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, people to contact for further information, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information is presented in varying orders using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0133
LEARNING DISABILITIES--PROGRAMS: A SELECTIVE BIBLIOGRAPHY
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 065 961; July, 1972; 28p ($2.06).

Compilation includes programs/projects; developed by LEA, a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items

0134
DIRECTORY OF SELECTED ONGOING COMPENSATORY EDUCATION PROGRAMS. IRCD BULLETIN, VOLUME 7, NUMBER 3, SUMMER, 1971
Adelaide Jablonsky; Educational Resources Information Center (ERIC)/Clearinghouse on the Urban Disadvantaged; ED 059 307; 1971; 20p ($1.67)

Compilation includes programs/projects; developed by LEA; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, description of item components.

Item format: key words/descriptions with the same information presented in the same order using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to geographical division used to locate and compare items.

0135

RECOMMENDED ENGLISH LANGUAGE ARTS CURRICULUM GUIDES K-12 AND CRITERIA FOR PLANNING AND EVALUATION

Sister Rosemary Winkeljohann, Editor; Educational Resources Information Center (ERIC)/Clearinghouse on Reading and Communication; ED 067 630; November, 1972; 31p ($2.06)

Compilation includes programs/projects; developed by LEA; Compilation produced by professional association for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, people to contact for further information; cost information.

Item format: narrative with the same information presented in the same order using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to grade level used to locate and compare items.

0136

STATE DIRECTORIES IN ENVIRONMENTAL EDUCATION. VOLUME 1. U.S. OFFICE OF EDUCATION REGION 1

John F. Disinger and Beverly M. Lee; Educational Resources Information Center (ERIC)/Information Analysis Center for Science, Mathematics, and Environmental Education; ED 085 262; November, 1973; 57p ($3.50)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, funding source, description of purpose of item, people to contact for further information, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in varying orders using 2-3 pages per item.
Compilation format: a bound book in 2-5 volumes; organization heads refer to geographical division and program/project type used to locate and compare items.

0137
IN-SERVICE EDUCATION FOR RURAL SCHOOL PERSONNEL
Joel L. Burdin and Lorraine L. Poliakoff, Editors; Educational Resources Information Center (ERIC)/Clearinghouse on Teacher Education; ED 073 082; February, 1973; 111p ($6.01)

Compilation includes programs/projects; deve-oped by a variety of organizations; Compilation produced by professional association for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: a set of categories, narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0138
VISUALLY HANDICAPPED--PROGRAMS: A SELECTIVE BIBLIOGRAPHY. EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES NO. 619
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Giften Children; ED 072 590; August, 1972; 19p ($1.67)

Compilation includes programs/projects; developed by LEA and a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0139

DIRECTORY OF VOCATIONAL INFORMATION RESOURCES IN THE UNITED STATES
Marilyn Schreiber; Educationa Resources Information Center (ERIC)/Clearinghouse on Career Education; ED 113 610; July, 1975; 148p ($7.35)

Compilation includes information resources and projects; developed by a variety of roganizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, people to contact for further information.

Item format: a set of categories, key words/descriptions with the same information presented in the same order using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions and geogrphical division used to locate and compare items.

0140
A COMPARISON OF GUIDES TO NON-PRING MEDIA. UPDATED 1975
David E. Rawnsley; Educational Resources Information Center (ERIC)/Clearinghouse on Information Resources; ED 104 375; April, 1975; 50p ($2.06)

Compilation includes non-print materials; developed by a variety of organizations; Compilation produced by an agency of the federal government for developers of educational media centers.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, sources to contact for further information, narrative description of item content, cost information.

Item format: a set of categories, key words/descriptions with the same information presented in the same order using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type and charts used to locate and compare items.

0141

TRENDS AND PROBLEMS IN COMPARISON STUDIES OF EARLY CHILDHOOD EDUCATION MODELS
Bette Hanson; Educational Resources Information Center/Clearinghouse on Early Childhood Education; ED 092 241; Nevember, 1973; 32p ($2.06)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with information presented varied according to the item being described using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0142
AURALLY HANDICAPPED--PROGRAMS: A SELECTIVE BIBLIOGRAPHY. EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES NO. 624

Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 090 710; November, 1973; 23p ($1.67)

Compilation includes programs/projects; developed by a variety or organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained by unspecified procedures; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with information presented varied according to the item being described using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0143

PROGRAMMATIC DEVELOPMENT OF IN-SERVICE TEACHER EDUCATION

Marvin Pasch; Educational Resources Information Center (ERIC)/Clearinghouse on Teacher Education; ED 096 243; September, 1974; 19p ($1.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by professional association for unspecified audience.

Information obtained by unspecified procedures; item verification not specified; item description includes author/editor/developer, publisher/source, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: a set of categories, narrative with information presented varied according to the item being described using less than a quarter page per item Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0144

TEACHING CENTERS: TOWARD THE STATE OF THE SCENE

Allen A. Schmieder and Sam J. Yarger; Educational Resources Information Center (ERIC)/American Association of Colleges for Teacher Education and the Clearinghouse on Teacher Education; ED 098 143; November, 1974; 66p ($3.50)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by professional association for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes description of purpose of item; sources to contact for further information; narrative description of item content.

Item format: a set of categories, narrative with information presented varied according to the item being described using item not differentiated per item
Compilation format: a bound book in 1 volume; organization heads refer to charts used to locate and compare items.

0145

IDENTIFICATION AND INTERVENTION OF HANDICAPS IN EARLY CHILDHOOD: A SELECTIVE BIBLIOGRAPHY. EXCEPTIONAL CHILDHOOD NO. 606

Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; Ed 090 722; November, 1973; 22p ($1.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by interest or consumer group/organization for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, sources to contact for further information, narrative description of item content.

Item format: key words/descriptions, narrative with information presented varied according to the item being described using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures ued to locate and compare items.

0146

RECOMMENDED ENGLISH LANGUAGE ARTS CURRICULUM GUIDES K-12 AND CRITERIA FOR PLANNING AND EVALUATION, 1974

Rosemary Winkeljohann, Editor; Educational Resources Information Center (ERIC)/ Clearinghouse on Reading and Communication Skills; ED 096 692; 1974; 34p ($2.06)

Compilation includes programs/projects; developed by LEA and a variety of organizations; Compilation produced by professional association for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, description of item components, cost information.

Item format: narrative with the same information presented in varying orders using a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0147
PLAYGROUND FACILITIES AND EQUIPMENT. NAESP SCHOOL LEADERSHIP DIGEST SERIES, NUMBER NINE. ERIC/CEM RESEARCH ANALYSIS SERIES, NUMBER ELEVEN
David Coursen; Educational Resources Information Center (ERIC)/Clearinghouse on Educational Management; ED 099 952; 1974; 33p ($2.06)

Compilation includes non-print materials; developed by a variety of organizations; Compilation produced by professional association for building administrators.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, description of purpose of item, description of intended learner.

Item format: narrative with information presented varied according to the item being described using 2-3 pages per item.
Compilation format: a bound book in 1 volume; organization heads refer to porgram/project type used to locate and compare items.

0148

CAREER GUIDANCE PRACTICES IN SCHOOL AND COMMUNITY

Lorraine Sundal Hansen and others; Educational Resources Information Center (ERIC)/ Clearinghouse on Counseling and Personnel Services; ED 037 595; 1970; 200p ($15.39)

Compilation includes techniques/educational practices; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, people to contact for further information, narrative description of item content and summaries of evaluation reports given.

Item format: narrative with information presented varied according to the item being described using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to processes or techniques used to locate and compare items.

0149
RESEARCH VISIBILITY: EXEMPLARY PROGRAMS AND RESIDENTIAL SCHOOLS
George L. Brandon, Editor; Educational Resources Information Center (ERIC); ED 033 245; October, 1969; 16p ($1.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by professional association for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item components, description of intended learner, people to contact for further information, narrative description of item content and summaries of evaluation reports given.

Item format: narrative with information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type; bibliography used to locate and compare items.

0150
CURRICULUM GUIDES: EXCEPTIONAL CHILD BIBLIOGRAPHY SERIES
Educational Resources Information Center (ERIC)/Clearinghouse on Handicapped and Gifted Children; ED 051 592; February, 1971; 24p ($1.67)

Compilation includes programs/projects; developed by heavy LEA; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner.

Item format: key words/descriptions, narrative with the same information presented in the same order using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to author-subject used to locate and compare items.

0151

PARAPROFESSIONAL. NAESP SCHOOL LEADERSHIP DIGEST SERIES, NUMBER SEVEN. ERIC/CEM RESEARCH ANALYSIS SERIES, NUMBER NINE

Nan Coppock and Ian Templeton; Educational Resources Information Center (ERIC)/ Clearinghouse on Educational Management; ED 097 752; 1974; 32p ($2.06)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for a variety of users.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content.

Item format: narrative with information presented varied according to the item being described
Compilation format: a bound book in 1 volume; organization heads refer to a variety of features used to locate and compare items.

0152
MOTHER-CHILD HOME LEARNING PROGRAMS: AN ABSTRACT BIBLIOGRAPHY
Norma K. Noward; Educational Resources Information Center (ERIC)/Clearinghouse on Early Childhood Education; ED 060 962; April, 1972; 47p ($2.06)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of intended learner, narrative description of item content and summaries of evaluation given.

Item format: narrative with information presented varied according to the item being described using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to a variety of features used to locate and compare items.

0153

INTENSIVE HIGH SCHOOL OCCUPATIONAL GUIDANCE APPROACHES FOR INITIAL WORK AND TECHNICAL SCHOOL PLACEMENT

Juliet V. Miller; Educational Resources Information Center (ERIC)/Clearinghouse on Counseling and Personnel Services; ED 033 254; November, 1969; 15p ($1.67)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained by an analysis item characteristics made by organization producing the compilations; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content.

Item format: in terms of implications with information presented varied according to the item being described
Compilation format: a bound book in 1 volume; organization heads refer to no procedures used to locate and compare items.

0154
A DIRECTORY OF PROJECTS AND PROGRAMS IN ENVIRONMENTAL EDUCATION FOR ELEMENTARY AND SECONDARY SCHOOLS. ENVIRONMENTAL EDUCATION INFORMATION REPORTS
John F. Disinger; Educational Resources Information Center (ERIC)/Information Analysis Center for Science, Mathematics and Environmental Education; ED 071 881; December, 1972; 530p ($28.79)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for a variety of users.

Information obtained from producers/developers of items; item verification checked by ERIC; item description includes title/edition number, author/editor/developer, publisher/source, description of intented learner, description of purpose of item, description of item components, narrative description of item content; cost information; and summaries of evaluation reports given.

Item format: a set of categories, narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 2-5 volumes; organization heads refer to subject matter divisions used to locate and compare items.

0155
A DIRECTORY OF PROJECTS AND PROGRAMS IN ENVIRONMENTAL EDUCATION FOR ELEMENTARY AND SECONDARY SCHOOLS. SECOND EDITION

John F. Disinger and Beverly M. Lee; Educational Resources Information Center (ERIC)/Information Analysis Center for Science, Mathematics and Environmental Education; ED 086 558; November, 1973; 686p ($36.83)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for a variety of users.

Information obtained from producers/developers of items; item verification checked by ERIC; item description includes title/edition number, author/editor/developer, publisher/source, description of purpose of item, description of item components, description of intended learner, narrative description of item content; cost information; and summaries of evaluation reports given.

Item format: a set of categories, narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 2-5 volumes; organization heads refer to subject matter divisions used to locate and compare items.

0156

APPENDICES TO A DIRECTORY OF PROJECTS AND PROGRAMS IN ENVIRONMENTAL EDUCATION FOR ELEMENTARY AND SECONDARY SCHOOLS, SECOND EDITION

John F. Disinger and Beverly M. Lee; Educational Resources Information Center (ERIC) Information Analysis Center for Science, Mathematics, and Environmental Education; ED 088 698; November, 1973; 58p ($3.50)

Compilation includes programs/projects; developed by SEA; Compilation produced by an agency of the federal government for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, people to contact for further information and summaries of evaluation reports given.

Item format: a set of categories, narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 2-5 volumes; organization heads refer to subject matter divisions used to locate and compare items.

0157
A DIRECTORY OF PROJECTS AND PROGRAMS IN ENVIORNMENTAL EDUCATION. THIRD EDITION
John F. Disinger; Educational Resources Information Center (ERIC)/Information
Analysis Center for Science, Mathematics, and Environmental Education; ED 114 259
February, 1975; 409p ($22.09)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by an agency of the federal government for a variety of users.

Information obtained from producers/developers of items; item verification checked by ERIC; item description includes title/edition number, author/editor/developer, publisher/source, description of purpose of item, description of item components, description of intended learner, narrative description of item content; cost information; and summaries of evaluation reports given.

Item format: a set of categories, narrative with the same information presented in the same order using one page per item
Compilation format: a bound book in 2-5 volumes; organization heads refer to subject matter divisions used to locate and compare items.

0158
40 INNOVATIVE PROGRAMS IN EARLY CHILDHOOD EDUCATION
Berlie J. Fallon, Editor; Fearon Publishers, Inc.; 1973; 250-499p

Compilation includes programs/projects; developed by heavy LEA; Compilation produced by commercial publisher for a variety of users.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, date, funding source, description of purpose of item, description of item components, description of intended learner, narrative description of item content and evaluation of items given if supplied.

Item format: narrative with information presented varied according to the item being described using more than 3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type used to locate and compare items.

0159
INNOVATIVE AND EXEMPLARY MINI-GRANT PROGRAMS, NEVADA, 1975-76
Nevada Department of Public Instruction; 1976; 249p or less (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by LEA for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, funding source, description of purpose of item, people to contact for further information, narrative description of item content.

Item format: narrative with information presented varied according to the item being described using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type used to locate and compare items.

0160

EDUCATIONAL PROGRAMS FOR DISADVANTAGED CHILDREN FUNDED THROUGH TITLE I OF THE ELEMENTARY AND SECONDARY EDUCATION ACT IN WISCONSIN SCHOOL DISTRICTS DURING 1972-73

Wisconsin Department of Public Instruction; Spring, 1973; 250-499p (no charge)

Compilation includes programs/projects; developed by ISA, LEA; Compilation produced by LEA for unspecified audience.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, date, funding source, description of item components.

Item format: key words/descriptions with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to geographical division used to locate and compare items.

0161
CARTEL ANNOTATED BIBLIOGRAPHY OF BILINGUAL BICULTURAL MATERIALS. CUMULATIVE ISSUE--1974
Dissemination Center for Bilingual Bicultural Education; December, 1974; 249p or less ($6.50)

Compilation includes textbooks/printmaterials, non-print materials; developed by a variety of organizations; Compilation produced by an agency of the federal government for teachers and a variety of users.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, narrative description of item content; cost information.

Item format: narrative with infromation presented varied according to the item being described using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to subject matter divisions; title, titles of materials in series, author, subject, pbulishers and distributors; used to locate and compare items.

0162
CAREER EDUCATION AND ENVIRONMENTAL EDUCATION FOR STUDENT AWARENESS OF AND INTRODUCTION TO THE REAL WORLD ABOUT THEM: A CRITIQUE OF COMPARABLE EDUCATION PRODUCTS
Richard Peters; Experiemental Schools Program; February, 1977; 50p (no charge)

Compilation includes a wide variety of products and practices; developed by a variety of organizations; Compilation produced by LEA for teachers and a variety of audience.

Information obtained by an analysis item characteristics made by organization producing the compilation; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, date, narrative description of item content.

Item format: a set of categories with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type used to locate and compare items.

0163
MODELOG: A CATALOG OF COMPREHENSIVE EDUCATIONAL PLANNING COMPONENT MODELS
New Jersey Department of Education; 1975; 250-499p or less (no charge)

Compilation includes programs/projects; developed by a variety of organizations; Compilation produced by SEA for school system administrators.

Information obtained from producers/developers of items; item verification review of information; item description includes title/edition number, author/editor/developer, publisher/source, date, description of purpose of item, description of item components, sources to contact for further information, cost information and summaries of evaluations done by developer given.

Item format: narrative with the same information presented in the same order using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to processes or techniques; by component used to locate and compare items.

0164
INNOVATIVE, EXEMPLARY SCHOOL PROGRAMS IN KENTUCKY FUNDED UNDER TITLE III, ESEA
Kentucky Department of Pbulic Instruction; undated; 48p (no charge)

Compilation includes programs/projects; developed by ISA, LEA; Compilation produced by LEA for teachers and staff of special projects.

Information obtained from producers/developers of items; item verification not specified; item description includes author/editor/developer, publisher/source, date, people to contact for further information, narrative description of item content.

Item format: narrative with information presented varied according to the item being described using less than a quarter page per item
Compilation format: a bound book in 1 volume; organization heads refer to geographical division used to locate and compare items.

0165

PRESCHOOL PROGRAMS FOR THE DISADVANTAGED: FIVE EXPERIMENTAL APPROACHES TO EARLY CHILDHOOD EDUCATION

Julian C. Stanley, Editor; The Johns Hopkins University Press; 1972; 203p ($10.00)

Compilation includes programs/projects; developed by individual working in research or university settings; Compilation produced by business group for unspecified audience.

Information obtained from producers/developers of items; item verificantion not specified; item description includes title/edition number, author/editor/developer, narrative description of item content and evaluation of project effectiveness given.

Item format: narrative with information presented varied according to the item being described using average of 38 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to index of names, disscussions by invited panel about program reports used to locate and compare items.

0166
ANNUAL DESCRIPTIVE REPORT FOR VOCATIONAL--TECHNICAL EDUCATION
Hawaii State Department of Education; September, 1975; 87p (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for school system administrators and staff of special projects.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, publisher/source, date, funding source, description of purpose of item, description of item components, description of intended learner, narrative description of item content, cost information and summaries of evaluation reports given.

Item format: narrative with information presented varied according to the item being described using 2-3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to program/project type used to locate and compare items.

0167

BUSINESS CLASSROOM AND LABORATORY EQUIPMENT

William Selden and James A. Kilorio; National Business Education Association; January, 1977; 249p or less

Compilation includes non-print materials; developed by commercial; Compilation produced by professional association for teachers and curriculum coordinators.

Information obtained from producers/developers of items; item verification not specified; item description includes title/edition number, author/editor/developer, publisher/source, narrative description of item content.

Item format: narrative with information presented varied according to the item being described using less than a quarter page per item
Compilation format: a continuing series in a periodical in 1 volume; organization heads refer to processes or techniques used to locate and compare items.

0168

PROMISING PRACTICES BY SCHOOL PSYCHOLOGICAL SERVICES IN INDIANA
William Souders and Rachel A. Rice; Indiana Department of Public Instruction;
1974; 45p (no charge)

Compilation includes programs/projects; developed by LEA; Compilation produced by SEA for school system administrators.

Information obtained from producers/developers of items; item verification not specification; item description includes title/edition number, author/editor/developer, description of purpose of item, description of item components, description of intended learner, people to contact for further information, cost information and summaries of evaluation given.

Item format: a set of categories with the same information presented in the same order using one page per item
Compilation format: a bound book in 1 volume; organization heads refer to geographical division, subject title used to locate and compare items.

0169
WORKING TOGETHER: CASE STUDIES OF TITLE I, ESEA PROGRAMS IN FOUR DESEGRATED SCHOOL DISTRICTS
U.S. Office of Education; 1974; 120p ($1.90)

Compilation includes programs/projects; developed by LEA; Compilation produced by an agency of the federal government for school system administrators.

Information obtained by unspecified procedures; item verification not specified; item description includes description of purpose of item, description of item components, description of intended learner, and summaries of evaluation reports given.

Item format: narrative with thesame information presented in the same order using more than 3 pages per item
Compilation format: a bound book in 1 volume; organization heads refer to geographical division used to locate and compare items.
